HOME

CANTERBURY | MAIDSTONE

The Lenleys Home Winter Sale is finally here! We are delighted to show off some brand new products and offer some seasonal savings that are sure to help warm you up as the festivities begin.

Not only can you enjoy up to 30% off all ranges across the store, but get up to a further £100 discount on selected ranges, along with a free mattress protector for all bed purchases.

Plus, there's an extra 5% off sale prices on all blinds, shutters, curtains, carpets, hard flooring, and rugs – everything you need to deck out your ideal winter hideaway, or to deck the halls ready for guests.

And once you've found what you're after, don't forget that you can spread the cost over 3 years interest free when you

spend over £3,000 (for a limited time only).

And you'll be spoilt for choice, with stylish and contemporary furniture from well-known brands like Italian designers Kartell (including their infamous 'Ghost Chair' – if you can spot it), and gorgeous wardrobes for your bedroom built by Wiemann.

There's even more to explore, so drop by and check out all the store upgrades and refurbished displays we've been working on. Pop over to our Maidstone store to see the external facelift and visit

Canterbury for our expanded display of Markilux awnings, giving us one of the biggest displays in the Southeast.

We look forward to seeing you in either our Canterbury or Maidstone stores, and remember that all offers are for a limited time only – so don't delay!
