2024 IN REVIEW

2024 has been an incredible year here at Lenleys, filled with dedication, adventure, and a heartfelt commitment to our community. We took part in some amazing initiatives, from tackling mountains to bringing beloved characters to life, supporting local sports, and supporting our Charity of the Year.

Conquering New Heights: The Three Peaks Challenge

Our adventurous team embarked on the legendary Three Peaks Challenge on June 12, 2024, bringing excitement, camaraderie, and grit to new heights - literally! 7 brave team members - Oliver, Ricky, Steven, Rhys, Mark, Melissa, and Chris - set out on a mission to conquer the highest peaks across Scotland, England, and Wales within just 24 hours.

Through their incredible determination, they also raised an impressive £5,675, and donated to two charities close to our hearts: Pilgrims Hospice of Canterbury and the Heart of Kent Hospice in Maidstone. These funds were made possible through the generous support of you our customers, friends, family, our suppliers and other local businesses. Thank you for supporting us and helping us contribute!

Meet Woolfie: Our Very Own Shaun the Sheep

In a delightful twist, we adopted a very special member into our Lenleys family this year: Woolfie the Sheep! Part of the Shaun the Sheep in the Heart of Kent Arts Trail, Woolfie was displayed outside the Kent History and Library Centre. Families visiting the center could scan a QR code on Woolfie, which led them on a fun-filled trail ending at our Maidstone store, where they received our signature scented candles as a thank-you.

When the trail came to an end, all the sheep sculptures were auctioned off to support Heart of Kent's end-of-life care services. But we couldn't bear to part with Woolfie, so instead we made him a permanent resident of our Maidstone store. Come by and say hello to Woolfie on your next outing!

Supporting Local Athletes: Team Sponsorships

We believe that sports not only foster physical health but also nurture mental well-being and community spirit. That's why this year, Lenleys proudly sponsored several local teams, including the Canterbury Eagles, Canterbury Hockey, Kings School Hockey, and Maidstone FC.

Our sponsorship helps these young athletes access the equipment and resources they need to excel and stay passionate about their sports. Seeing the hard work and dedication these teams bring to their games truly inspires us, and we're honored to be part of their journey.

Charity of the Year: Pilgrims Hospice

At Lenleys, supporting causes that bring comfort and care to our community is part of our core values. That's why we chose Pilgrims Hospice as our 2024 Charity of the Year. Last winter's sale enabled us to contribute £1,000 to Pilgrims Hospice, and we're thrilled to continue our support through the funds raised from the Three Peaks Challenge.

If you're purchasing new furniture from Lenleys, you also have the opportunity to make a difference: Pilgrims Hospice will collect your old furniture on the day of your delivery! Talk to our consultants for more information on using this service which can help change lives.

Where Inspiration Begins

Lavinia and Sam go way back - Sam started his journey at Lenleys 18 years ago straight out of school as an apprentice in our flooring department, where he was trained to become an expert carpet fitter. His incredible attention to detail led him to establish his own successful business, Range Flooring.

As part of this collaboration, when you choose a luxurious carpet from Lenleys, it will be expertly fitted by Range Flooring at the Lenleys standard, ensuring a seamless and professional finish.
